

src/cpp/environment  
/Environment.hpp

```
graph TD; A["src/cpp/environment /Environment.hpp"] --> B["iostream"]; A --> C["string_view"]
```

The diagram illustrates a C++ header file, `Environment.hpp`, located at `src/cpp/environment`. Two blue arrows originate from the bottom of the `Environment.hpp` box and point to the `iostream` and `string_view` boxes below it, indicating that `Environment.hpp` includes these two headers.
